

VIEW POPULAR PROGRAMS AS VIDEO ON DEMAND

KOCT's many new television programs air not only on Cox Cable channel 18 & 19 and AT&T's U-Verse 99 but also on KOCT.ORG as [Video on Demand](#). All of these programs can be viewed on your smart phone, tablet or computer whenever and where ever you are. We've put together a great 'sampler' of our latest programs with links to the video below:

KOCT has a new television series called [What's Happening at Tri-City Medical Center](#). Our first program celebrates June's **Men's Health Month** with a program featuring Dr. Jason Phillips, a Board Certified Urologist. It's an informative program that discusses the need for men to have annual check-ups, prostate cancer and other topics.

Imagine the odds of soccer players in an after school program in Oceanside's Crown Heights neighborhood winning the National Beach Soccer Championships in Clearwater Florida. That's the real-life story we feature in this [KOCT News Brief](#).

KOCT is a Telly Award Winner! The Telly Awards honors excellence in local and regional programming. This year KOCT received two bronze awards in the competition. [The CSUSM Environmental Leadership Academy Program](#) won the bronze Telly in the Educational Institution category. KOCT also won a bronze Telly for The City of Oceanside [Oil Recycling PSA](#). Congratulations to the KOCT production team, Cal State San Marcos and the City of Oceanside.

In a [new episode of North County Talks](#), Soraya Mendoza from Wellness Less Stress 4U, demonstrates Sound Therapy Meditation. Sound Therapy Meditation is a form of holistic healing which involves gongs, bowls and other instruments. For more information on how you can produce your own show at KOCT, visit www.northcountytalks.com.

OCEANSIDE STUDENTS LEARN TELEVISION PRODUCTION SKILLS

Each year KOCT teaches students from El Camino and Oceanside High School how to operate the cameras, switchers, teleprompters and other studio equipment so they can produce their own Oceanside Spectrum television programs.

High School Spectrums are a good example of KOCT's student intern service. We have developed a vigorous workforce development program that provides real world experience for high school and college students—find out about this program [HERE](#).

Oceanside High School Video Class and teacher Frank Zimmerman

El Camino High School Video Class and teacher, Sharon Strong

SCHOLARSHIP FOR MIRACOSTA COLLEGE

The MiraCosta College Foundation is paving the way for future students by establishing the [#Promise: a scholarship](#) that pays for the 1st year of college for fresh high school graduates that plan on attending MiraCosta. This [news brief](#) is an overview of what the Promise is, how students can be eligible, and how the funding will work.

NEW MASTER CONTROL CABLECAST SYSTEM

KOCT recently held a unique ribbon cutting event to launch its new master control cablecast system. [See the fun event here](#).

San Diego County Supervisor Bill Horn (L) Tom Reeser, KOCT Executive Director (Center) Jamie Johnson, Director Marketing, Communications & Public Affairs at Tri-City Medical Center (Right)

STAY CONNECTED

A great way to stay connected to your local television channel is to go to the [KOCT Facebook](#) page—Check it out and like us too.

Thanks to DATRON CHARITABLE FUND GRANT, AGING TAPES ON OCEANSIDE TRANSITION TO UPDATED FORMAT

KOCT is grateful for grants it has received from the Datron Charitable Fund to transfer its many video programs from aging tape stock to new digital formats so that future generations can learn about our diverse community.

A good example of this need is a special program that KOCT recovered from [Oceanside's Cable Channel 3](#)—one of the first small community television stations in our area. This program is a [documentary from 1973](#) produced by students at Lincoln Jr. High School about the history of Oceanside. It's campy and fun and features one-of-a-kind interviews that are now captured and preserved for future viewers.
