

STEAM Camp for 4th-6th graders

Oceanside Public Library will offer a **FREE** STEAM Camp for 4th-6th graders over spring break, **April 8-12** at the Oceanside Civic Center Library.

This STEAM, science, technology, engineering, arts, and math, camp will explore the fun and engaging theme of robots. Kids will have a chance to play, build and create with different robot technology, like Dash and Dot and LEGO WeDo, play games, get crafty, learn, and have fun!

The camp sessions will take place Monday through Friday, 1:00- 3:00 p.m. in the Civic Center Library Community Room, 330 N. Coast Hwy. Advance registration is required for this free camp as space is limited.

Call (760) 435-5600 for information.
