

Loma Alta Slough Wetland Enhancement Project

Share Your Vision

You're invited to a community workshop to help improve the Loma Alta Slough

PURPOSE

The City of Oceanside will be developing a wetland enhancement design for the Loma Alta Slough located between Coast Highway and Pacific Street. The purpose of the project is to expand coastal wetland habitat and improve public access through trails and educational signage.

AGENDA

A brief presentation will be given at 5:15 p.m. The remainder of the time will be open for attendees to provide their input on the project goals and objectives for the City's consideration. Light refreshments will be provided.
