

## 1 LB. CYLINDER EXCHANGE EVENT

Over four million single-use propane cylinders are used and disposed of every year in California. By choosing to use **refillable** 1 lb. propane cylinders, you can keep disposables out of landfills and protect the environment. Refillable propane cylinders can be used thousands of times and can be easily refilled at certified locations, including the U-Haul at 802 S. Coast Hwy, Oceanside, CA 92054.

Do you have empty, 1 lb. propane cylinders from your recent summer adventures? Recycle them at the **City of Oceanside's 1 lb. propane cylinder exchange event on August 24, from 10:00 a.m. – 1:00 p.m. at Oceanside's Household Hazardous Waste Facility, 2880 Industry Street.** While supplies last, residents will receive a **FREE** refillable 1 lb. propane cylinder! Call (760) 439-2824 to schedule an appointment today.

Can't make it to the exchange event? You can recycle your empty, single-use 1 lb. propane cylinders and receive one free refillable cylinder while supplies last at the **Oceanside Harbor Office, 1540 N. Harbor Drive, Monday- Saturday from 8:00 a.m. - 4:30 p.m.**
