

## OCEANSIDE CULTURAL DISTRICT BANNERS

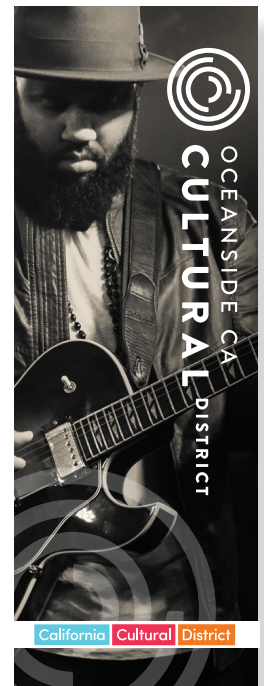

The City of Oceanside was designated by the California Arts Council as one of only 14 districts which serve as the inaugural state-designated [California Cultural Districts](#). The Oceanside Public Library oversees the Oceanside Cultural District, along with executive partners Oceanside Museum of Art, MainStreet Oceanside and Visit Oceanside.

A Cultural District, as outlined by the program, is a well-defined geographic area with a high concentration of cultural resources and activities. Oceanside's Cultural District is a walkable area in downtown Oceanside.

To encourage placemaking, ten banners have been placed at the borders of the district. The banners are reflective of the rich cultural assets and events that are happening in the district. The area's arts and performance, beach, surf, and culinary cultures are represented. The banners were funded by the Oceanside Cultural District.
