Hello Rayna,

Please see our responses below. Please feel free to call or email me with any questions.

1. What is the address of the City of Oceanside Police Department station(s) that serves the project area?

We have a centralized police station that serves the city. It is located at 3855 Mission Avenue, Oceanside, CA 92058

2. What are the approximate response times for emergency and non-emergency calls in the project area?

*5.47 minutes for Priority 1 – Emergency
8.43 minutes for Priority 2- Timing Critical/Felony Just Occurred
25.84 minutes for Priority 3- Non-Violent/Misdemeanor just occurred
38.24 minutes for Priority 4- Routine Calls for Service.*

3. Are existing City of Oceanside Police Department staff levels adequate to meet current demands for police protection services in the project area?

Yes.

4. Do the proposed project components present any unique law enforcement problems for the City of Oceanside Police Department?

We do not foresee any unique law enforcement problems associated with this project.

5. Would the project require the City of Oceanside Police Department to hire more officers or staff?

We do not anticipate needing to hire more officers in order to provide services for the project.

6. Would the project impact existing response times?

We anticipate the project to have a de minimis impact on response times.

7. Do you have any recommendations that might ensure that the proposed project would not “significantly” impact City of Oceanside Police Department services?

We recommend the utilization of inventory control measures to prevent loss, to include driveway barriers after hours along with strict control of keys and access to vehicles. Onsite security and video surveillance cameras are also recommended.

Fred Armijo, Captain
Investigations Division
Oceanside Police Department
3855 Mission Avenue
Oceanside, CA 92058
760-435-4797

Subject: CarMax Oceanside - Information for Environmental Review

Warning: External Source

Hello Fred,

We are preparing the environmental document for a proposed CarMax Facility within the City of Oceanside and would like to obtain information regarding police services within the City. Please see the letter attached and let me know if you have any questions. I look forward to hearing from you.

Thank you,

Rayna Del Rosario
