### OCEANSIDE JOB FAIR - SEPTEMBER 25

The City of Oceanside, in partnership with the [Oceanside Chamber of Commerce](#) and [Visit Oceanside](#), will host a job fair on Saturday, September 25, 2021 from 9 a.m. to 1 p.m. at the Civic Center Plaza located at 300 North Coast Highway in Downtown Oceanside.

The job fair will feature over two dozen Oceanside employers including [Genentech](#), [Hydranautics](#) and [Steico Industries](#), as well as the [Oceanside Police and Fire Departments](#), the [Mission Pacific Hotel](#) and [Seabird Resort](#) and the [Oceanside Unified School District](#). The event will also feature [MiraCosta College Technical Career Institute](#), which offers accelerated career training programs, and other job seeker resources.

“We have heard from many Oceanside employers that they are having a difficult time hiring local talent, and we wanted to do something to proactively address this challenge,” stated Oceanside Mayor Esther Sanchez. “Anyone looking for meaningful employment in rewarding careers, across a variety of industries, from law enforcement to manufacturing to hospitality, is encouraged to attend our job fair.”

All job seekers are encouraged to attend to learn about these great opportunities. Attendee registration is not required; however, it is encouraged to ensure employers can conduct follow-up efforts. Space is still available for employers who wish to have a table at the event.

Job seekers and employers can register online at [www.osidebiz.com](http://www.osidebiz.com).

### NEW CONSTRUCTION UPDATE

[Dunkin' Donuts](#) has started grading on their 2,012 sq. ft. drive-thru restaurant located at 1906 Oceanside Blvd. in the Oceanside Village Square shopping center.

## Oceanside Business Spotlights...

**FoxFury Lighting Solutions** builds portable LED headlamps, flashlights, shield lights, scene lights, and area lights to deliver an exceptional lighting experience. They produce premium, task-specific lighting tools that are portable, durable, and used anytime, anywhere. Their products are made with the highest quality US and foreign parts, manufactured in California. FoxFury uses the newest LEC technology from OSRAM and others.

FoxFury is honored that first responders, industrial safety professionals, photographers, and videographers in over 50 countries depend on their lighting tools. Their mission is to keep you safe and illuminated at all times and to build premium and reliable lights that exceed expectations when seconds count and lives are on the line.

FoxFury is located at 3528 Seagate Way #100 in the Seagate Business Park. [www.foxfury.com](http://www.foxfury.com)

**SOLECTA** produces and sells membranes and elements capable of consistently separating molecules according to chemical properties or size while substantially reducing energy consumption and overall separation cost. Their focus is to reliably deliver robust, highly stable membrane-based solutions with predictable selectivity and productivity attributes needed to support high-volume production processes. They offer polymeric-based microfiltration, ultrafiltration, nanofiltration, and reverse osmosis products tailored to the specific needs of their customers.

Founded in 1998 as Sepro Membranes, the company was acquired in December 2014 by True North Venture Partners and renamed "Solecta." Since that time, the company has sharpened its strategic focus, implemented robust engineering and quality practices, and broadened its organizational capabilities to accomplish its overall mission of becoming a global leader in process membrane solutions for high-value feed streams.
