# CHARTER OF THE CITY OF OCEANSIDE

## PREAMBLE

**WE THE PEOPLE** of the City of Oceanside declare our intent to restore to our community the historic principles of self governance inherent in the doctrine of home-rule. Sincerely committed to the belief that local government has the closest affinity to the people governed and firm in the conviction that the economic and fiscal independence of our local government will better serve and promote the health, safety and welfare of all of the citizens of this City, we do hereby exercise the express right granted by the Constitution of the State of California to enact and adopt this Charter for the City of Oceanside.

## CHARTER

### Article I Municipal Affairs

#### Section 100. Municipal Affairs

Each of the responsibilities of governance set forth and described in this Charter, and as established by the Constitutional, statutory and judicially defined law of the State of California, is hereby declared to be a municipal affair or concern, the performance of which is unique to the benefit of the citizens of the City of Oceanside.

#### Section 101. Powers

The City shall have all powers that a City can have under the Constitution and laws of the State of California as fully and completely as though they were specifically enumerated in this Charter. The enumeration in this Charter of any particular power, duty or procedure shall not be held to be exclusive of, or any limitation or restriction upon, this general grant of power.

#### Section 102. Incorporation and Succession

The City shall continue to be a municipal corporation known as the City of Oceanside. The boundaries of the City of Oceanside shall continue as now established until changed in the manner authorized by law. The City shall remain vested with and shall continue to own, have, possess, control and enjoy all property rights and rights of action of every nature and description owned, had, possessed, controlled or enjoyed by it at the time this Charter takes effect, and is hereby declared to be the successor of same. It shall be subject to all debts, obligations and liabilities, which exist against the City at the time this

Charter takes effect. All lawful ordinances, resolutions, rules and regulations, or portions thereof, in force at the time this Charter takes effect and not in conflict with or inconsistent herewith, are hereby continued in force until the same have been duly repealed, amended, changed or superseded by proper authority.

## **Article 2 Form of Government**

### **Section 200. Form of Government**

The municipal government established by this Charter shall be known as the "Council-Manager" form of government. The City Council will establish the policy of the City and the City Manager will carry out that policy.

## **Article 3 Fiscal Matters**

### **Section 300. Economic and Community Development**

The City shall encourage, support, and promote economic development and community development in the City.

### **Section 301. Public Works Contracts**

The City is exempt from the provisions of all California statutes regulating public contracting and purchasing except as provided by ordinance or by agreement approved by the City Council. The City shall establish all standards, procedures, rules or regulations to regulate all aspects of public contracting.

### **Section 302. Prevailing Wage**

No City contract shall require payment of the prevailing wage schedule unless: the prevailing wage is legally required, and constitutionally permitted to be imposed, by federal or state grants pursuant to federal or state law; or the project is considered by the City Council not to be a municipal affair of the City; or payment of the prevailing wage schedule is authorized by resolution of the City Council. Payment of the prevailing wage schedule, if authorized hereunder, shall use the pertinent rates published by the State of California.

### **Section 303. Fair and Open Competition**

The City shall not, in any contract for the construction, maintenance, repair, or improvement of public works, require that a contractor, subcontractor, material supplier, or carrier engaged in the construction, maintenance, repair or improvement of public works, execute or otherwise become party to any project labor agreement, collective bargaining agreement, prehire agreement, or other agreement with employees, their representatives, or any labor organization as a condition of bidding, negotiating, being awarded, or performing work on a public works contract. Nothing in this section shall be construed as prohibiting private parties from entering into individual collective bargaining relationships, or otherwise as regulating or interfering with activity protected by applicable law, including but not limited to the National Labor Relations Act.

**Section 304. Definition of Public Works**

For purposes of this Article, the term “public works” means: (1) A building, road, street, sewer, storm drain, water system, irrigation system, reclamation project, redevelopment project, or other facility owned or to be owned or to be contracted for by the City of Oceanside or the Redevelopment Agency of the City of Oceanside, that is paid for in whole or in part with tax revenue paid by residents of the City of Oceanside; or (2) Any other construction service or nonconstruction service.

**Section 305. Voluntary Employee Political Contributions**

Unless otherwise required by law, neither the City, nor its agents, shall deduct from the wages, earnings or compensation of any City employee any political contributions unless the employee has first presented, and the City has received, a signed written authorization of such deductions, which authorization must be renewed annually and may be revoked by the employee at any time by giving written notice of such revocation to the City.

**Article 4

**Section 400. Reductions Prohibited**

**Article 5  
General Laws**

**Section 500. General Law Powers**

In addition to the power and authority granted by the terms of this Charter and the Constitution of the State of California, the City shall have the power and authority to adopt, make exercise and enforce all legislation, laws, and regulations and to take all actions and to exercise any and all rights, powers, and privileges heretofore or hereafter established, granted or prescribed by any law of the State of California or by any other lawful authority. In the event of any conflict between the provisions of this Charter and the provisions of the general laws of the State of California, the provisions of this Charter shall control.

## Interperetation

### Section 600. Construction and Interpretation

The language contained in this Charter is intended to be permissive rather than exclusive or limiting and shall be liberally and broadly construed in favor of the exercise by the City of its power to govern with respect to any matter which is a municipal affair.

### Section 601. Severability

If any provision of this Charter should be held by a court of competent jurisdiction to be invalid, void or otherwise unenforceable, the remaining provisions shall remain enforceable to the fullest extent permitted by law.
