WHAT WILL YOU BE DOING IN THE NEXT FIVE YEARS?

The choice is yours!

Participation in the Section 8 Family Self-Sufficiency Program is one of the advantages of your housing assistance voucher.

FSS offers you the opportunity to work towards your dreams while establishing a “nest egg” for the future.

Make a plan to improve yourself and prepare for life “on your own terms” not somebody else’s.

Support can be beautiful.

With the assistance of The FSS Coordinator, you will build a step-by-step road map to accomplish your dream.

It is always your plan. The FSS Coordinator becomes your coach in helping you achieve your goals. The timelines are realistic and developed in line with your present skills and abilities.

The FSS Coordinator will provide you with information and help for you to connect with those resources.

Together you develop a partnership with the sole purpose of getting you to accomplish your goals.

The personalized coaching and support you receive from the FSS Team is a benefit only for FSS participants.

An “escrow” savings account is an additional benefit of FSS participation

Why wouldn't you want to take advantage?!

Participation is voluntary.
The advantages are worth investigating.

“Procrastination is the bad habit of putting off until the day after tomorrow what should have been done the day before yesterday”

Napoleon Hill

- ✓ Learn or upgrade my computer skills
- ✓ Get a college degree
- ✓ Obtain job skills
- ✓ Improve my budgeting or credit score
- ✓ Save to buy a house

There is no better time than now to take steps toward your dream.
