

City of Oceanside – Martin Luther King, Jr. Scholarship Program

RESOURCES for APPLICANTS

A significant portion of the application for the Martin Luther King, Jr. scholarships awarded by the City of Oceanside is the essay on how the life, activities and teachings of Dr. King have influenced you. The essay is not to be about Dr. King, but rather how the ideals and example of Dr. King have helped you develop your personal values, and how you hope to live out these values in your life and career.

There are significant resources in your school library and at the Oceanside Public Library about Dr. King; here are a few resources available to you on the internet.

This is a brief biography of Dr. King from the Nobel Prize website, which can also link to his acceptance speech.
