

Veterans Services at the Library

In conjunction with the California Department of Veterans Affairs (CalVet), the Oceanside Public Library is pleased to offer information and support to veterans and their families. Veterans are

encouraged to visit the Library, to learn about education, employment, housing, health, disability and other benefits that may be

available. In addition, the Library has a special web page dedicated to local, State and Federal resources available to veterans, as well as a special collection of print material.

Forgot to return your library books?

In celebration of National Library Week, the Oceanside Public Library is offering

AMNESTY WEEK APRIL 13-19, 2014

Bring back your overdue materials to any Oceanside Public Library location and your overdue fines for those items will be waived. Lost material, and other fines and fees are not eligible.

Did you know that our extraordinary library has a free tutoring program for adults with low literacy levels who need to improve their reading, comprehension, spelling, grammar, and/or math skills?

Oceanside READS offers help for those wanting to seek higher employment or perform better at their current jobs, prepare for the GED, read to their children or help them with homework, understand and complete applications, and accomplish numerous other tasks that many of us take for granted. To provide this free service, READS needs responsible volunteer tutors. No teaching experience is required—we will train you!

If you are interested in changing someone's life with the gift of reading, please call Corrie Miles at 760-435-5680.
