

Youth Fishing Trip With Captain JOE and Bob

NO fishing Experience required!

Come join us on an ocean sport fishing adventure aboard the 60-foot boat, "Sea Star," skippered by Captain Joe Cacciola and leaving out of beautiful Oceanside Harbor. The fishing really heats up during the summer, so hang onto your rod and reel, you might just catch the whopper of the day. The summer catch can consist of bass, bonita, mackerel, barracuda, yellowtail, halibut and various other fish. This is an opportunity for you to make a fish'n memory of a lifetime. Space is limited to 15 fishermen, so, sign up early or you'll get left at the dock! Important:

- Please have children wear comfortable clothing for fishing include a hat, jacket, and bring some sunscreen. Parents please give your child a motion sickness pill one hour before leaving the dock to ensure a great time — being sea sick is no fun!
- No Galley service, so bring your own lunch and beverage.
- Live bait, rod and reels, hooks, line and sinkers are provided.

NOTE: We will meet at Oceanside Harbor 45 minutes before departure time. The "Sea Star" is docked in front of Joe's Crab Shack restaurant. Please be on time, the boat will leave the dock promptly, so be on it or you will miss this fun and exciting trip!

Summer fishing Trips Monday, June 23 and Monday, august 4
