About the City of Oceanside

The City of Oceanside's Mission Statement is that "the City of Oceanside will be a safe, culturally diverse community that empowers its citizens to provide an environment that promotes economic development, supports quality education, fosters the cultural arts and preserves its natural resources".

Oceanside is a 44 square mile city with a 6 mile stretch of beaches along its border. The City is 35 miles north of San Diego and 85 miles south of Los Angeles. It is bordered to the north by Marine Corps Base Camp Pendleton. Along the south it borders the Cities of Carlsbad and Vista. The San Luis Rey River runs along the entire northern stretch of Oceanside, and the Buena Vista Lagoon runs along the south. The City's population is approximately 170,000.

Oceanside is rich in history and beauty. The Mission San Luis Rey, one of the 21 Missions along the California coastline resides in Oceanside. Oceanside is also home to the longest wooden pier in California. Celebrating the old while embracing the new has made Oceanside a place of diversity and promise.

The City of Oceanside Arts Commission

The City of Oceanside Arts Commission consists of nine commissioners and two alternate commissioners all appointed by the Mayor with City Council approval. They meet every other month on the first Monday of that month.

The mission of the City of Oceanside Arts Commission as an advisory body to the City Council is

- to foster the development and enjoyment of performing, visual, cultural and other arts in the City of Oceanside;
- to make recommendations to the City Council on the development and promotion of practices and policies pertaining to the Arts; and
- to work cooperatively with City entities and other advisory commissions to include an Arts element in as many areas of City planning and development as possible.

In March 2016, a Public Arts Forum was held by the Oceanside Arts Commission to elicit input regarding key issues, opportunities, and priorities for the arts in Oceanside. The following questions were asked

- 1) What is your vision for the arts in Oceanside?
- 2) What major developments should occur in the next 10 years?
- 3) What issues will impact the ability of the arts to make meaningful contributions to a health, vibrant, equitable community?
- 4) What opportunities exist within the arts sector and/or local context which are in support of significant new development which will positively impact the community?
- 5) What are the most pressing priorities that will enable the arts to make greater contributions in support of a vibrant, healthy and equitable community?

Information gained through the forum is attached as Exhibit A.

Project Background

The City of Oceanside's Arts Commission developed the first art display policy in 1992. It was developed to address donations and placement of art in the Civic Center facility, but did not include a citywide art development plan to expand and encourage art-related programs in the community. In 1997, a revised Art in Public Places Policy was adopted to address donations and collection management of art.

Given the span of time that has passed since the development of these initial policies, the Arts Commission has prepared this Request for Proposals in order to create a plan that will address arts throughout the city in a comprehensive way. Both short-term and long-term plans should be included. The following Scope of Services should be addressed in Consultants' proposals:

II. SCOPE OF SERVICES

1. Gather research on the Oceanside community as well as research on relevant precedents that may serve as a model of arts development in Oceanside.
2. Facilitate stakeholder participation, including but not limited to community input and review (high priority) surveys, focus groups, summits or town halls, etc.
3. Identify key initiatives on which the community should focus its arts resources, including priority projects and resources or actions needed to achieve them (e.g., policy, timeline for plan implementation, infrastructural needs).
4. Encourage and identify potential grant-seeking collaborations between the multitude of arts-related programs and non-profits in Oceanside.
5. Create initial recommendations for public art programs and policies based on best practices and on research.
6. Recommend updates to existing Art in Public Places policy and any other related guidelines. The revised policy should provide clear process for the selection and/or development of public art and the establishment of consistent funding sources.
7. Explain how the plan could be integrated with relevant City planning documents and how it would enhance opportunities for beneficial developments (e.g. Coast Highway Vision Plan and others as appropriate).
8. Provide recommendations for program development (such as utility boxes, bus shelters, public art pocket map, murals, banners, public art mapping/interactive tour apps for smartphones, community art gallery, artists registry, marketing and outreach, collaborative and participatory art, performing art, music, digital media, etc.).
9. State a public arts vision and mission aligned with the City's strategic economic and urban design goals.
10. Give recommendations for locations and future sites of high opportunity for public art installations and projects.
11. Suggest funding sources and grant opportunities.
12. Include a long-term strategy for the establishment and maintenance of a community arts fund.
13. Develop strategies to educate the public about the role and contribution of the arts in economic and community development.

The Consultant will provide a draft report for review and an edited final report for approval and adoption by the City Council.

Individual and firms interested in responding to this RFP should prepare a brief and concise proposal, including the following:

1. **Introduction:** Present general introductory comments, including a purpose statement describing your understanding of the proposed project and required services.
2. **Work Plan:** Formulate a work plan that clearly and systematically identifies and describes all tasks and subtasks necessary to complete the requirements set forth in the Scope of Services (Section II).
3. **Personnel and Experience:** Prepare an organizational chart showing the names and titles of the project manager, professional and supporting staff, sub-consultants, and other key personnel

that will be assigned to the project. Include at least three (3) relevant projects of similar size, scope, budget and objectives.

4. **Project Approach:** The Consultant should describe a proposed approach for this project, citing examples of successful past efforts where appropriate.
5. **References:** In addition, Consultant shall include at least three (3) references.
6. **Cost Proposal:** Prepare a not-to-exceed cost proposal and provide a cost breakdown for each task and subtask identified in the work plan.
7. **Project Schedule:** Prepare a schedule that illustrates the estimated timeline, in monthly increments, for completing project tasks and subtasks.

III. FEE PROPOSAL/BUDGET

The proposal should include all expenses of a Consultant or team to gain community input, synthesize research, and complete the scope of services resulting in a final Master Plan for Arts with Arts Commission and City Council approval. Anticipated reimbursable expenses should also be included in the budget. The Consultant's budget to develop Oceanside's Master Plan for the Arts should not exceed \$46,000.

IV. SUBMITTAL REQUIREMENTS

- Only written proposals will be considered. All materials submitted shall become a part of the proposal and may be incorporated in a subsequent contract(s) between the City and the selected Applicant. Failure to comply, other than as specifically permitted in the RFP, may disqualify an Applicant from further consideration.
- Where to Submit Your Proposal: The complete proposal package should be placed in a sealed envelope or box labeled "Proposal for the Master Plan for the Arts." Said envelope or box should have the name and address of the Applicant on the outside and be delivered to:

City of Oceanside
Oceanside Public Library
330 N Coast Highway
Oceanside, CA 92054

- Number of Copies: Please provide one (1) original, and one (1) reproducible copy. Plainly identify the respective documents. The reproducible copy is one which can readily be reproduced through a photocopier; it should be unbound and unstapled.

V. EVALUATION AND SELECTION CRITERIA

All proposals will be evaluated solely on the basis of the following criteria and the ranking by the Arts Commission. The most successful proposal will be moved forward by the Commission to the City Council. The City reserves the right to request additional information to clarify a submitted proposal. In-person or telephone interviews may be conducted at the discretion of the Commission, City Manager or Library Director.
