

STAFF REPORT

ITEM NO. 22
CITY OF OCEANSIDE

DATE: April 5, 2017

TO: Honorable Mayor and City Councilmembers

FROM: Development Services Department

SUBJECT: **ADOPTION OF A RESOLUTION ACCEPTING \$200,000 IN GRANT FUNDS FROM THE CALIFORNIA COASTAL COMMISSION FOR THE LAND USE PLAN (LUP) UPDATE; APPROPRIATION OF \$172,500 IN MATCH FUNDS; APPROVAL OF A PROFESSIONAL SERVICES AGREEMENT FOR THE LUP UPDATE**

SYNOPSIS

Staff recommends that the City Council adopt a resolution accepting \$200,000 in grant funds from the California Coastal Commission (CCC) awarded to the City for a comprehensive update of the Land Use Plan (LUP) to include a coastal hazards vulnerability assessment and adaptation plan; appropriate \$172,500 in match funds from the GF Community Facilities Committed – General Plan reserves to the project account; approve a Professional Services Agreement in the amount of \$372,500 with Environmental Science Associates (ESA) for services in support of the LUP update; and authorize the City Manager to execute all associated documents.

BACKGROUND

On June 1, 2016, the City Council authorized the submittal of an application for a Local Coastal Program Local Assistance Grant in the amount of \$300,000 in support of a comprehensive update of the LUP of the City's Local Coastal Program with a commitment of a grant match in the amount of \$100,000. A copy of the staff report dated June 1, 2016, is attached for reference. On August 12, 2016, the CCC voted to award a Local Coastal Program Local Assistance Grant to the City of Oceanside in the amount of \$200,000.

The City is currently preparing a climate action plan and a new General Plan element addressing the relationship between energy consumption and greenhouse gas (GHG) emissions. Together, these two climate mitigation efforts will demonstrate how the City will comply with state GHG reduction targets. Through a coastal hazards adaptation plan, the LCP update will address the other fundamental aspect of climate action: identifying the current and potential adverse effects of climate change on coastal resources (e.g., sea level rise and more intense storm events) and enhancing the City's resilience to these effects. In the future, this component of the LCP update could be leveraged to prepare a Citywide climate adaptation plan addressing other climate-induced risks (e.g., extreme heat, wildfire, disease).

ANALYSIS

The City sought \$300,000 in grant funding and was awarded \$200,000. While staff has refined the proposed scope of work to reduce overall project costs, an additional \$72,500 in City matching funds (above the \$100,000 already authorized by the City Council) are needed to adequately fund the LUP update.

The scope of work for this project includes the following:

- Technical assessment of existing conditions within the coastal zone, including land use, infrastructure, recreational amenities, public coastal access, scenic resources, biological resources, and cultural resources
- Technical assessment of coastal hazards and shoreline protective devices
- Preparation of a coastal hazards adaptation plan, with cost/benefit analysis (based on the results of sea level rise modeling)
- Community outreach
 - Three public workshops
 - Stakeholder interviews
 - Online surveys
 - Pop-up outreach activities
 - Planning Commission and City Council public workshops
- Revision of the LUP, amending policies related to new development, public access and recreation, scenic and visual resources, hazards and shoreline development, and natural resources

The final deliverable will be an updated LUP in compliance with the California Coastal Act, the California Coastal Commission Local Coastal Program Update Guide, and the California Coastal Commission Sea Level Rise Policy Guide. The updated LUP will provide the policy framework for a subsequent update of zoning standards for the coastal zone.

Consistent with timelines established under the grant agreement, the LUP update is expected to be completed by mid-2019. Once the LUP has been updated and certified by the CCC, staff anticipates initiating an update of the implementing documents of the LCP – e.g. coastal zoning standards and other applicable regulations. The budget for an update of the implementing documents is expected to be comparable to that established for the LUP update. Staff will pursue grant funding opportunities in support of this subsequent project.

Consistent with Section 8 of Administrative Directive 21 (Procurement of Goods and Services), on November 1, 2016, the City issued a Request for Proposals for consultant services in support of the LUP update. Six proposals were received prior to the November 30, 2016 deadline. The proposals were reviewed by a consultant selection committee comprised of staff from the Water Utilities Department, the Fire Department, the Engineering Division, and the Planning Division. All committee members prepared a written evaluation of each proposal. Based on these written evaluations, the committee invited four candidates to participate in the interview process. Following the interview process, the consultant selection committee reached consensus on ESA as the most qualified candidate, based on ESA's familiarity with long-range planning efforts in the City of Oceanside (e.g., Coast Highway Corridor Study), extensive experience with coastal planning projects, and technical expertise in coastal hazard vulnerability assessment and adaptation planning.

FISCAL IMPACT

The total contract price for the update of the LUP is \$372,500; the grant acceptance of \$200,000 and a match appropriation of \$172,500 provide for sufficient funds to fund the contract. The City's additional commitment of in-kind services was essential to the success of the grant application. The in-kind services will be met through staff time to manage the project through currently budgeted positions in the Planning Administration budget.

The GF Community Facilities CIP (Fund 581) Committed-General Plan reserves 00581.3015.0006 has a current balance of \$301,939 of which the grant match appropriation of \$172,500 will be budgeted to project account 912150516581.5305.10400. The grant will be budgeted to grant account 817150516272.5305. In-kind staffing of \$179,325 will be provided by Planning Administration 450404101.5105. There is currently \$365,376 budget in that account therefore, sufficient funds are available.

COMMISSION OR COMMITTEE REPORT

Does not apply.

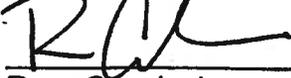

CITY ATTORNEY'S ANALYSIS

The referenced documents have been reviewed by the City Attorney and approved as to form.

RECOMMENDATION

Staff recommends that the City Council adopt a resolution accepting \$200,000 in grant funds from the California Coastal Commission (CCC) awarded to the City for a comprehensive update of the Land Use Plan (LUP) to include a coastal hazards vulnerability assessment and adaptation plan; appropriate \$172,500 in match funds from the GF Community Facilities Committed – General Plan reserves to the project account; approve a Professional Services Agreement in the amount of \$372,500 with Environmental Science Associates (ESA) for services in support of the LUP update; and authorize the City Manager to execute all associated documents.

City of Oceanside
Attn: Russ Cunningham
300 North Coast Highway
Oceanside, CA 92054

Subject: Grant Agreement Number LCP-16-12

Dear Mr. Cunningham:

Enclosed please find items related to your grant with the California Coastal Commission. This grant agreement cannot be considered binding on either party until approved and signed by all parties. No services should be provided prior to approval, as the State is not obligated to make any payments on any agreement prior to final approval. Expedient handling of this Agreement is appreciated. For inquiries regarding this grant agreement, please call *Jessica Chan, Fiscal & Business Services Analyst at (415) 904-5451*.

Complete the following item(s) and return to the address stated above:

Standard Grant Agreement with attached exhibits. Please have the authorized signor sign and date the first page of the Standard Grant Agreement package and the additional single page Standard Grant Agreement signor page. Return all originals for further processing. A fully executed original will be returned when completed.

A copy of your insurance certification which states coverage will not be canceled without 30 days written notice to the State of California, and which also includes the State of California, its officers, agents, and employees as additional insureds.

The attached approved Standard Grant Agreement is for your records.

A handwritten signature in black ink, appearing to read "Jessica Chan".

Jessica Chan, Fiscal & Business Services Analyst

EXHIBIT A

DEFINITIONS

1. The term "Agreement" means this Grant Agreement.
2. The term "Benchmark" means specific tasks or project deliverables identified in the Project Work Plan as approved by the Commission.
3. The term "Budget Act" means the annual enacted version of the Budget Bill which makes appropriations for the support of the government of the State of California.
4. The term "Chief Deputy Director" means the Chief Deputy Director of the Commission.
5. The terms "Commission" or "Coastal Commission" and the acronym "CCC" all refer to the California Coastal Commission.
6. The term "Executive Director" means the Executive Director of the Commission, or in the event an Executive Director has not been appointed by the Commission, the Acting Executive Director of the Commission.
7. The term "Grant" or "Grant Funds" means the money provided by the State Coastal Conservancy and administered by the Coastal Commission to the Grantee pursuant to this Agreement.
8. The term "Grantee" means an applicant who has a signed agreement for Grant Funds.
9. The term "Grant Manager" means the representative of the Commission given authorization by the Executive Director to administer and provide oversight of the Grant.
10. The term "LCP" refers to Local Coastal Program.
11. The term "Local Coastal Program Local Assistance Grant Program" refers to the Coastal Commission's grant program to support local governments in planning for sea level rise and climate change, and developing new or updating existing Local Coastal Programs (LCP), consistent with the California Coastal Act.
12. The term "Materials" means all data, plans, drawings, specifications, surveys, studies, and other written or graphic work produced in the performance of this Agreement and are identified as "deliverables" in the Scope of Work of this grant agreement.
13. The term "Other Sources of Funds" means cash or in-kind contributions that are required or used to complete the Project beyond the Grant Funds provided by this Agreement.

EXHIBIT A

14. The term "Pooled Money Investment Account" (PMIA) refers to the account through which the State Treasurer invests taxpayers' money to manage the State's cash flow and strengthen the financial security of local governmental entities. The rate of interest earned on the Pooled Money Investment Account serves as a benchmark for setting interest rates in several provisions of state law, and is the rate that is used for purposes of this Agreement.¹ The current rate is available at: <http://www.treasurer.ca.gov/pmia-laif/pmib-program.asp>.
15. The term "Project" means the activity described under the Scope of Work, attached as Exhibit B1, to be accomplished with Grant Funds.
16. The term "Project Budget" means the Commission approved cost estimate submitted to the Grant Manager as part of the Work Program. The Project Budget shall describe all labor and material costs of completing each component of the Project. The Project Budget shall contain itemized amounts permissible for each item or task described in Project Scope and Work Plan. The Project Budget must include the set administrative and indirect costs agreed upon by the Parties if applicable. For each project component, the Project Budget shall list all intended funding sources including the Commission's grant and all other sources of monies, materials or labor.
17. The term "Public Agency" means any State of California department or agency, a county, city, public district or public agency formed under California law.
18. The term "Request for Funds Form" or "RFF Form" means the form that will be submitted requesting payment and which is described in Exhibit C hereto.
19. The term "Round 1" refers to the Commission's first round of LCP grant funding that commenced in Fiscal Year 2013-2014 under the Local Coastal Program Local Assistance Grant Program.
20. The term "Round 2" refers to the Commission's second round of LCP grant funding that commenced in Fiscal Year 2014-2015 under the Local Coastal Program Local Assistance Grant Program.
21. The term "Round 3" refers to the Commission's third and current round of LCP grant funding that commenced in Fiscal Year 2016-2017 under the Local Coastal Program Local Assistance Grant Program.
22. The term "Scope of Work" refers to Exhibit B, including the approved Work Plan, Project Schedule, and Project Budget.

¹ Umbach and Moller 2001. Available: <http://www.umbachconsulting.com/discussion/CaliforniaShortTerm.pdf>. Accessed 19 September 2014.

EXHIBIT A

23. The term "Sea Level Rise Guidance" refers to the Coastal Commission's sea level rise guidance document adopted in August 2015. The document provides an overview of best available science on sea level rise for California and recommended steps for addressing sea level rise in Coastal Commission planning and regulatory actions under the Coastal Act.
 24. The term "Conservancy" refers to the State Coastal Conservancy.
 25. The term "Termination Date" means the date by which all activity for the project must be concluded and all invoices and other reporting requirements must be complete, as specified in the signature page of this Agreement. Work performed after this date cannot be reimbursed.
-
26. The term "Work Plan" means the description of tasks and related work to be accomplished by the Project.

EXHIBIT B

SCOPE OF WORK

1. Grantee agrees to provide to the Commission project activities as described under the Scope of Work, attached hereto as Exhibit B1.
2. The Project representatives during the term of this agreement will be:

State Agency: California Coastal Commission	Grantee: City of Oceanside
Name: Madeline Cavaliere, LCP Grant Manager ("Grant Manager")	Name: Michelle Skaggs-Lawrence, City Manager
Address: 45 Fremont Street, Suite 2000 San Francisco, CA 94105-2219	Address: 300 North Coast Highway Oceanside, CA 92054
Phone: (831) 427-4890	Phone: (760) 435-3072
Fax: (415) 904-5400	Fax:

3. Direct all inquiries to:

State Agency: California Coastal Commission	Grantee: City of Oceanside
Section/Unit: Statewide Planning	Section/Unit:
Name: Kelsey Ducklow, LCP Grant Coordinator ("Grant Coordinator")	Name: Russ Cunningham
Address: 45 Fremont Street, Suite 2000 San Francisco, CA 94105-2219	Address: 300 North Coast Highway Oceanside, CA 92054

Other funding: \$351,825.00

Total project cost: \$551,825.00

Term of Project: Upon grant execution or January 15, 2017 to December 31, 2018

-
- A. PROJECT DESCRIPTION** The City of Oceanside recognizes its Local Coastal Program (LCP) as an essential component of the California Coastal Act and the principal means of implementing statewide goals and policies at the local level. As part of a broad-based forward planning effort that includes preparation of two new General Plan elements (Economic Development and Energy/Climate Action) and implementation of the Coast Highway Vision and Strategic Plan, this grant funding will support a comprehensive update of the City's 30 year-old LCP. The update will align the City's policy and regulatory frameworks with current state law and incorporate state guidance on assessing and adapting to coastal hazards. It is anticipated that the update will provide for more local control of coastal regulation and thereby allow Coastal Commission staff to focus more on matters of statewide concern. The update will also provide greater certainty to the development community, while enabling stronger coastal resource protection. Recognizing the challenge of completing updates to both the Land Use Plan (LUP) and Implementation Plan (IP) within the allotted two-year timeframe of the grant program, the work plan for this grant project focuses exclusively on the LUP component of the LCP. Upon certification of the LUP, the City will undertake an update to the implementing documents (IP) of the LCP.
- B. TASKS** The Work Program consists of nine tasks that will be completed on or before December 31, 2018. The following section includes a detailed description of each task and work program and schedule for implementation of the project.

EXHIBIT B1

Task 1: Coastal Commission Engagement: The City of Oceanside is dedicated to working with Coastal Commission staff throughout the duration of the project. Staff intends to work closely with the LCP Grant Coordinator to refine the work program, timeline, and budget for the project with the necessary detail to complete the grant agreement execution. In an effort to complete the project within the prescribed timeframe, the City is currently preparing a Request for Proposal (RFP) for consulting services. Upon finalizing the grant agreement, City staff will arrange a kickoff meeting with Coastal Commission staff to discuss the details of the pending comprehensive update to the LCP. The meeting will provide an opportunity to review the scope of work, identify current policies and issues, and establish goals and expectations for the LCP update process. To enhance communication with the Coastal Commission, staff will arrange regularly scheduled status updates and coordination meetings throughout the duration of the project.

Deliverables/Outcomes: Agreement on scope of project; effecting of grant agreement ; establishment of check-in schedule with Coastal Commission staff; quarterly progress reports and RFFs

Task 2: Project Initiation: Subsequent to releasing a Request for Proposal for consulting services, the City will interview a minimum of three consultants through a competitive bid process and will select a consultant with the ability to assemble a team of qualified professionals to provide the City the necessary technical analysis and logistical support to complete the project in a cost-effective and timely manner. City staff will meet with the selected consultant to coordinate the final scope of work and project schedule as well as obtain Council approval and execution of a professional services agreement. During this phase, the project team will collect background data and conduct resource analysis. The team will also begin the preparation of technical studies to address findings and policies within the LUP. The City intends to prepare technical studies that provide new data on coastal hazards, biological resources, water and wastewater facilities, visitor accommodations, public parking, public recreational areas, coastal access, and coastal view corridors.

Deliverables/Outcomes: Consultant contract, detailed scope of work & project schedule, public outreach plan, draft technical studies

Task 3: Coastal Hazard Vulnerability Assessment and Adaptation Plan: Relying on the Coastal Commission's Sea Level Rise Policy Guidance and the LCP Update Guide, as well as recommendations contained in the Natural Resource Agency's "Safeguarding California" publication, the City will prepare a coastal hazards vulnerability assessment and a separate adaptation plan. The coastal hazard vulnerability assessment will identify the potential impacts of coastal hazards and the adaptation plan will outline a range of strategies for minimizing these impacts. To this end, the City will continue to participate in the coastal hazard vulnerability assessment now being prepared by Local Governments for Sustainability (ICLEI) under the auspices of the San Diego Foundation. Utilizing the USGS CosMos3 modeling tool,

EXHIBIT B1

the ICLEI project will produce coastal inundation mapping for the cities of Oceanside, Encinitas, and San Diego that will identify threatened coastal resources and, in so doing, provide an empirical basis for adaptation strategies. As the next phase of CoSMoS becomes available, the City will assess additional scenarios provided from CoSMoS and consider supplementing the findings of the ICLEI assessment if necessary and feasible. During this task, an economic and fiscal impact analysis will be prepared as part of the adaptation plan to estimate the costs of coastal hazard impacts as well as the costs of adaptation strategies and implementation measures. The report will analyze economic and fiscal impacts associated with sea level rise and its impacts to coastal resources including beaches and other habitats, amenities, infrastructure, buildings, tourism, and tax revenue, as well as the cost of maintenance and clean up due to coastal hazards. Prior to completion of the draft coastal hazards vulnerability assessment and the adaptation plan, the City will schedule a check-in meeting with Coastal Commission staff to discuss the progress of each effort. Upon completion of the draft documents, staff will submit copies to Coastal Commission staff for review and comment. Staff will also organize and facilitate two public workshops to allow the public an opportunity to review and provide input regarding the draft plans (under Task 4). The first workshop will provide an introduction to the overall project with an emphasis on review of the draft coastal hazard vulnerability assessment while the second workshop will focus exclusively on review of the adaptation plan.

Concurrently, the City will continue to participate, as a member of the San Diego Climate Collaborative, in the federally-funded effort to develop physical, legal and economic/fiscal analyses of potential coastal protection strategies for the San Diego County coastline that can be incorporated into local adaptation plans, development review, and capital improvement programs.

Deliverables/Outcomes: Draft and Final Coastal hazard vulnerability assessment & adaptation plan

Task 4: Community Outreach: The City recognizes that a robust community outreach program is essential to completing an updated LCP that reflects the community's interests and unique characteristics of Oceanside. As such, the City intends to organize an extensive and transparent public engagement strategy offering multiple opportunities for input. The public outreach program will commence as follows:

- a) **Webpage & Media Outreach:** Staff will create a dedicated project webpage that will be accessed through the City's website. The webpage will include general information regarding the LCP update, a calendar of upcoming events, and will be regularly updated with project documents such as presentations and summaries from public meetings and draft policy documents. The webpage will also include links to social media sources, such as Facebook and Twitter, to provide an additional platform for outreach. A press release will be provided to newspapers and other media outlets with local and regional circulation.

EXHIBIT B1

- b) **Establish Interested Parties List for Email Updates:** Staff will establish an email list to provide interested parties updates on upcoming events, draft documents, and hearings.
- c) **Online Surveys:** Staff will prepare online surveys that will be accessible through the project website in order to assess the community's views, goals and concerns related to the content of the LCP.
- d) **Pop-up Outreach at Community Events:** Staff will participate in pop-up outreach activities to interact with the community at various community events including festivals, specials events, and street fairs. Pop-up outreach will provide an opportunity to inform citizens of the pending LCP update, initiate conversation, and handout questionnaires.
- e) **Public Workshop #1:** The project team will organize and facilitate an introductory public workshop upon completion of the draft coastal hazards vulnerability assessment to allow the public an opportunity to review and provide input on the draft coastal hazards vulnerability assessment. The workshop will also introduce the project and discuss the goals and objectives of the LUP.
- f) **Public Workshop #2:** This workshop will introduce the draft adaptation plan. The workshop will begin with a project presentation detailing the draft adaptation strategies, followed by interactive activities to help generate public input. The project team will then be available to answer questions in a meet and greet setting.
- g) **Public Workshop #3:** This workshop will take place during Task 7 to allow the public an opportunity to review, ask questions, and provide input regarding the Draft Land Use Plan.
- h) **Stakeholder Interviews:** The project team will conduct interviews with key community stakeholders to gain a better understanding of issues and concerns within the coastal zone. Potential stakeholders include elected officials, community/neighborhood groups, non-profit organizations, property owners, business representatives, and service providers.
- i) **Intergovernmental Coordination:** The project team will contact various local, regional, state, and federal agencies that have a vested interest in the City's coastal zone. Key agencies will be engaged throughout the planning process and provided the opportunity to review and comment on the draft LUP.
- j) **Introduction to Planning Commission and City Council:** Staff will introduce the LUP update work plan to the Planning Commission and City Council during regularly scheduled public meetings. This will provide an opportunity to initiate dialogue and awareness with the decision makers and answer questions regarding the project.

Deliverables/Outcomes: Project webpage, survey results, outreach summaries, memorandums to decision makers, public meeting materials, email updates

EXHIBIT B1

Task 5: Policy Development – LUP update: Using the Coastal Commission's Sea Level Rise Policy Guidance and LCP Update Guide, the City will prepare an LUP based on the results of technical analysis, community and intergovernmental input, and engagement with the Coastal Commission. A key objective of the LUP is to assemble a coherent and defensible policy framework that supports sustainable development, preservation and restoration of coastal resources, and enhanced public access to the coastline. During this task, the City will assemble the draft LUP including text, maps, exhibits, and appendices.

Deliverables/Outcomes: Final technical studies, Draft LUP

Task 6. Coordination with Economic Development (EDE) and Energy/Climate Action Element (E-CAP): The City will coordinate the LCP update and coastal hazards adaptation plan with the Economic Development and Energy/Climate Action Elements that are now in the process of being developed. During this task, the City will work to integrate EDE and E-CAP goals, policies and objectives into relevant LUP sections.

Deliverables/Outcomes: GP/LUP consistency analysis; integration of relevant General Plan goals, objectives, and policies

Task 7: Review and Revise Draft LUP: An initial administrative draft of the LUP will be provided to Coastal Commission staff for review and comment, followed by an administrative draft for interdepartmental City review. Comments provided during the administrative draft review will be incorporated into a revised draft LUP for public review. During the public review stage, the draft LUP will be posted on the project webpage and provided via cd or electronic copy to the City Council, advisory commissions, local, state, and federal agencies, as well as interested parties contacted during the public outreach program. A public workshop (under Task 4) will be scheduled to provide an opportunity for the community to provide additional input. Staff will present the draft LUP to the Planning Commission and City Council as informational items during regularly scheduled meetings.

Deliverables/Outcomes: Revised LUP

Task 8: Adoption Hearings: During this task, an updated draft LUP will be prepared that reflects any comments received during the public draft review period or the workshop(s). The updated draft will be provided to Coastal Commission staff for review and comment. The City will arrange a meeting with Coastal Commission staff to discuss any final revisions. Upon confirmation that all comments have been addressed, the City will produce a final draft of the LUP to be released for public review and schedule adoption hearings. The project will be scheduled for both Economic Development Commission and Planning Commission hearings, resulting in a recommendation to the City Council for consideration of adoption. City Staff will prepare staff reports and present the final draft LUP to both Commissions and the City Council.

EXHIBIT B1

Deliverables/Outcomes: Locally adopted LUP

Task 9: Coastal Commission Submittal: Following adoption of the LUP by the City Council, the City will submit the adopted LUP to the Coastal Commission for review and certification.

Deliverables/Outcomes: LUP submittal

Next Steps (not funded by this grant): Implementation Plan: The City acknowledges that the completion of both an LUP and an IP within the two year time frame allotted by the grant program is an unrealistic goal. Recognizing the importance of the implementation component of the LCP, the City will make a seamless effort to complete the Implementation Plan subsequent to adoption of the LUP. The process will be similar in terms of public outreach.

EXHIBIT B1

C. SCHEDULE

Project start/end dates: Upon Grant Execution or January 15, 2017 – December 31, 2018

Task 1. Coastal Commission Engagement <i>(note that grant funds shall not be used for work completed prior to grant execution)</i>	Project start date: January 15, 2017*
1.1 Grant agreement documents	October 2016* to January 2017
1.2 Request for Proposal (RFP)	November 2016*
1.3 Project kickoff meeting	February 2017
1.4 Regularly scheduled status updates and coordination meetings	January 2017* to December 2018
Outcome/Deliverables: Agreement on scope of project; finalize grant agreement; establish check-in schedule with Coastal Commission staff; quarterly progress reports and RFFs	Projected end date: December 31, 2018
Task 2. Project Initiation <i>(note that grant funds shall not be used for work completed prior to grant execution)</i>	Projected start date: November 1, 2016*
2.1 Consultant selection & professional services agreement	November 2016* to February 2017
2.2 Final scope of work & project schedule	February 28, 2017
2.3 Initial coordination with responsible agencies and check-in with CCC staff	February 2017 to May 2017.
2.4 Background data, resource analyses, draft technical studies	February 2017 to August 1, 2017
Outcome/Deliverables: Consultant contract, detailed scope of work & project schedule, public outreach plan, draft technical studies	Projected end date: August 1, 2017
Task 3. Coastal Hazard Vulnerability Assessment and Adaptation Plan <i>(note that grant funds shall not be used for work completed prior to grant execution)</i>	Projected start date: In progress
3.1 Complete Coastal Hazard Vulnerability Assessment	Projected end date: May 31, 2017
3.2 Assess additional scenarios from next phase CoSMoS3 modeling data	Ongoing
3.3 Economic and fiscal impact analysis of potential adaptation strategies	April 2017 to July 2017
3.4 Public Workshop #1	July 2017
3.5 Draft Adaptation Plan/Strategies	May 2017 to July 2017
3.6 Public Workshop #2	September 2017

EXHIBIT B1

3.7 CCC staff and other stakeholder review of vulnerability assessment, adaptation plan. CCC staff will have opportunity to review drafts prior to public workshops.	May 2017 to October 31, 2017
3.8 Check-in with CCC Staff	May/June 2017
Outcome/Deliverables: Draft and final Coastal Hazard Vulnerability Assessment & Adaptation Plan	Projected end date: October 31, 2017
Task 4: Community Outreach	Projected start date: January 2017
4.1 Project webpage and media outreach	January 2017
4.2 Establish interested parties list for email updates	January 2017
4.3 Online surveys	February 2017 to September 2017
4.4 Pop-up outreach at community events	February 2017 to February 2018
4.5 Public Workshop #1 – Vulnerability Assessment (see Task 3)	July 2017
4.6 Public Workshop #2 – Adaptation Plan (see Task 3)	September 2017
4.7 Public Workshop #3 – Draft LUP (See Task 7)	May 2018
4.8 Stakeholder interviews	February 2017 to March 2017
4.9 Intergovernmental coordination	Ongoing
4.10 Introduction to Planning Commission & City Council	March/April 2017
Outcome/Deliverables: Project webpage, Survey results, outreach summaries, memorandums to decision makers, public meeting materials, email updates	Projected end date: December 31, 2018
Task 5: Policy Development – LUP Update	Projected start date: September 2017
5.1 Review and analysis of collected data, and finalization of technical studies	September 2017 to March 2018
5.2 Check-in with CCC Staff	September 2017
5.3 Integration of Vulnerability Assessment and Adaptation Strategies	September 2017 to March 2018
5.4 Preparation of Draft LUP	September 2017 to March 2018
Outcome/Deliverables: Final technical studies, Draft LUP document	March 31, 2018
Task 6: Coordination with Economic Development (EDE) and Energy/Climate Action Element (E-CAP)	Projected start date: September 2017
6.1 Incorporate appropriate objectives, policies, and action items into LCP	September 2017 to February 2018

EXHIBIT B1

Outcome/Deliverables: GP/LUP consistency analysis; integration of relevant General Plan goals, objectives, and policies	Projected end date: March 31, 2018
Task 7: Review and Final Draft LUP	Projected Start date: February 2018
7.1 Administrative Draft LUP review by CCC staff and City Interdepartmental staff	March 2018 to June 2018
7.2 Public draft	May 2018
7.3 Public Workshop #3- Review Draft LUP	May 2018
7.4 Planning Commission/City Council Review	June/July 2018
Outcome/Deliverables: Revised LUP	Projected end date: July 31, 2018
Task 8: Adoption Hearings	Projected start date: July 2018 to September 2018
8.1 Release Final Draft LUP CCC staff review	July 2018
8.2 Economic Development Commission Meeting	August 2018
8.3 Planning Commission Public Hearing	August 2018
8.4 City Council Public Hearing	September 2018
Outcome/Deliverables: Locally Adopted LUP	Projected end date: September 30, 2018
Task 9: Coastal Commission Submittal	Projected start date: September 28, 2018
9.1 Submit adopted LUP to Coastal Commission	by Dec. 31, 2018
Outcome/Deliverables: LUP submittal	by Dec. 31, 2018
Next Steps: Implementation Plan	Begin October 2018

** A "Begin date" of "January 15, 2017" is either 1/15/17 or the Grant Execution Date, whichever is later. It is understood that work completed prior to the grant execution date will not be reimbursed using grant funds.*

Total	\$200,000	\$162,500		\$362,500
Total Direct Costs	\$200,000	\$172,500		\$372,500
OVERHEAD/INDIRECT COSTS⁵				
Total County/City Staff Overhead/Indirect Costs	\$0	\$0		\$0
TOTAL PROJECT COST	\$200,000	\$351,826		\$551,826

⁴ All consultants must be selected pursuant to a bidding and procurement process that complies with all applicable laws.

⁵ Indirect costs include, for example, a pro rata share of rent, utilities, and salaries for certain positions indirectly supporting the proposed project but not directly staffing it. Amount requested for indirect costs should be capped at 10% of amount requested for "Total Labor."

EXHIBIT C

BUDGET DETAIL AND PAYMENT PROVISIONS

1. Request for Funds

- A. For services satisfactorily rendered during the term of this Agreement and upon receipt and approval of the Request for Funds Form described below (also referred to as the "RFF Form"), the Commission agrees to reimburse Grantee for actual expenditures incurred in accordance with the rates specified herein or attached hereto.
- B. Grantee shall submit each RFF form, in triplicate, no more frequently than monthly (except as requested by the Commission) but no less frequently than quarterly (assuming activity occurred within that quarter). RFF forms shall be submitted in arrears to:

California Coastal Commission
Attn: Daniel Nathan, Statewide Planning Division
45 Fremont Street, Suite 2000
San Francisco, CA 94105-2219

- C. Each RFF form shall contain the following information:
1. Grantee's name and address as shown in this Agreement.
 2. Date of the RFF form.
 3. Time period covered by the RFF form during which work was actually done.
 4. Agreement number as shown on this Agreement.
 5. Original signature of the Grantee, specifically the Project Representative, as identified in Exhibit B.
 6. Itemized costs by tasks and source of funds as listed in the scope of work for the billing period in the same or greater level of detail as indicated in the Project Budget (see Exhibit B1), with supporting documentation. Only those costs and/or cost categories expressly identified in this Agreement may be reimbursed.
 7. Remaining balance listed by task number from the Scope of Work (see Exhibit B1) including the cumulative expenditures to date, the expenditures during the reporting period, and the unexpended balance of funds under this Agreement.
- D. Attached to the RFF form, the Grantee shall submit a supporting progress report summarizing the work that was completed during the invoice period and the current status of the work for which disbursement is sought, including work by any consultant, and comparing it to the status required by the Scope of Work (budget, timeline, tasks, etc.).
- E. Notwithstanding the foregoing, the Grant Manager of the Commission may request and the Grantee shall provide receipts or other source documents for any other direct expenditure or cost as described in the RFF form, as and when necessary to resolve any issue concerning reimbursement.

EXHIBIT C

- F. The Grantee's failure to fully execute and submit a RFF form, including attachment of supporting documents, may relieve the Commission of its obligation to disburse funds to the Grantee unless and until the Grantee corrects all deficiencies.
- G. Any RFF form that is submitted without the required itemization and documentation will be considered "disputed" and will not be authorized. If the RFF form package is incomplete, inadequate or inaccurate, the Commission will inform the Grantee via phone and also with an Invoice Dispute Notification (STD. 209) and will withhold payment until all required information is received or corrected. Any penalties imposed on the Grantee by a consultant, or other consequence, because of delays in payment will be paid by the Grantee and is not reimbursable under this Agreement.
- H. Grant Funds in this award have a limited period in which they must be expended. Grantee expenditures funded by the Commission must occur within the term of the Grant Agreement and before the Termination Date.
- I. Grantee must report to the Commission in the Project Budget all sources of other funds for the Project, including Matching Funds identified in the Grant Application.
- J. The Grantee shall expend Grant Funds in the manner described in the Work Program approved by the State. Expenditure on items contained in the approved Project Budget may vary by as much as ten percent with prior approval by the Commission Grant Manager, provided the grantee submits a revised Project Budget for the purpose of amending the Project Budget. In any event, the total amount of the Grant Funds may not be increased, except by written amendment to this agreement and only if approved by the Commission.

2. Budget Contingency Clause

- A. It is mutually agreed that if the final Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the Local Coastal Program Local Assistance Grant Program this Agreement shall be of no further force and effect, and the Commission shall have no liability to pay any funds whatsoever to Grantee or to furnish any other consideration under this Agreement and Grantee shall not be obligated to continue performance under the provisions of this Agreement.
- B. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this Local Coastal Program Local Assistance Grant Program the Commission shall have the option at its sole discretion to either cancel this Agreement with no liability accruing to the Commission or enter into an agreement amendment with Grantee to reflect the reduced amount.

EXHIBIT D

GENERAL TERMS AND CONDITIONS

1. **APPROVAL**: This Agreement is of no force or effect until signed by both parties. Grantee may not commence performance until such approval has been obtained.
2. **ASSIGNMENT**: This Agreement is not assignable by the Grantee, either in whole or in part, without the consent of the Commission in the form of a formal written amendment.
3. **INDEMNIFICATION**: Grantee agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all claims and losses accruing or resulting to any and all consultants, subconsultants, suppliers, laborers, and any other person, firm or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by Grantee in the performance of this Agreement.
4. **DISPUTES**: Grantee shall continue with the responsibilities under this Agreement during any dispute.
5. **INDEPENDENT CONTRACTOR**: Grantee, and the agents and employees of Grantee, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the State.
6. **NON-DISCRIMINATION CLAUSE**: During the performance of this Agreement, Grantee and its consultants shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition (e.g., cancer), age (over 40), marital status, and denial of family care leave. Grantee and consultants shall ensure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Grantee and consultants shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12990 (a-f) et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, Section 7285 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code Section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations, are incorporated into this Agreement by reference and made a part hereof as if set forth in full. Grantee and its consultants shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other Agreement.

Grantee shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the Agreement.

EXHIBIT D

7. **CERTIFICATION CLAUSES:** The GRANTEE CERTIFICATION CLAUSES contained in the document GCC-1015 are hereby incorporated by reference and made a part of this Agreement by this reference as if attached hereto.
8. **TIMELINESS:** Time is of the essence in this Agreement.
9. **COMPENSATION:** The consideration to be paid Grantee, as provided herein, shall be in compensation for all of Grantee's expenses incurred in the performance hereof, including travel, per diem, and taxes, unless otherwise expressly so provided.
10. **GOVERNING LAW:** This agreement is governed by and shall be interpreted in accordance with the laws of the State of California.
11. **ANTITRUST CLAIMS:** The Grantee by signing this agreement hereby certifies that if these services or goods are obtained by means of a competitive bid, the Grantee shall comply with the requirements of the Government Codes Sections set out below.
 - a. The Government Code Chapter on Antitrust claims contains the following definitions:
 - 1) "Public purchase" means a purchase by means of competitive bids of goods, services, or materials by the State or any of its political subdivisions or public agencies on whose behalf the Attorney General may bring an action pursuant to subdivision (c) of Section 16750 of the Business and Professions Code.
 - 2) "Public purchasing body" means the State or the subdivision or agency making a public purchase. Government Code Section 4550.
 - b. In submitting a bid to a public purchasing body, the bidder offers and agrees that if the bid is accepted, it will assign to the purchasing body all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by the bidder for sale to the purchasing body pursuant to the bid. Such assignment shall be made and become effective at the time the purchasing body tenders final payment to the bidder. Government Code Section 4552.
 - c. If an awarding body or public purchasing body receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this chapter, the assignor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the public body any portion of the recovery, including treble damages, attributable to overcharges that were paid by the assignor but were not paid by the public body as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Government Code Section 4553.
 - d. Upon demand in writing by the assignor, the assignee shall, within one year from such demand, reassign the cause of action assigned under this part if the

EXHIBIT D

assignor has been or may have been injured by the violation of law for which the cause of action arose and (a) the assignee has not been injured thereby, or (b) the assignee declines to file a court action for the cause of action. See Government Code Section 4554.

12. CHILD SUPPORT COMPLIANCE ACT: For any Agreement in excess of \$100,000, the Grantee acknowledges in accordance with Public Contract Code 7110, that:

- a. The Grantee recognizes the importance of child and family support obligations and shall fully comply with all applicable state and federal laws relating to child and family support enforcement, including, but not limited to, disclosure of information and compliance with earnings assignment orders, as provided in Chapter 8 (commencing with section 5200) of Part 5 of Division 9 of the Family Code; and
- b. The Grantee, to the best of its knowledge is fully complying with the earnings assignment orders of all employees and is providing the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.

13. UNENFORCEABLE PROVISION: In the event that any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have force and effect and shall not be affected thereby.

14. PRIORITY HIRING CONSIDERATIONS: If this Agreement includes services in excess of \$200,000, the Grantee shall give priority consideration in filling vacancies in positions funded by the Agreement to qualified recipients of aid under Welfare and Institutions Code Section 11200 in accordance with Pub. Contract Code §10353.

15. SMALL BUSINESS PARTICIPATION AND DVBE PARTICIPATION REPORTING REQUIREMENTS:

- a. If for this Agreement Grantee made a commitment to achieve small business participation, then Grantee must within 60 days of receiving final payment under this Agreement (or within such other time period as may be specified elsewhere in this Agreement) report to the awarding department the actual percentage of small business participation that was achieved. (Govt. Code § 14841.)
- b. If for this Agreement Grantee made a commitment to achieve disabled veteran business enterprise (DVBE) participation, then Grantee must within 60 days of receiving final payment under this Agreement (or within such other time period as may be specified elsewhere in this Agreement) certify in a report to the awarding department: (1) the total amount the prime Grantee received under the Agreement; (2) the name and address of the DVBE(s) that participated in the performance of the Agreement; (3) the amount each DVBE received from the prime Grantee; (4) that all payments under the Agreement have been made

EXHIBIT D

to the DVBE; and (5) the actual percentage of DVBE participation that was achieved. A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation. (Mil. & Vets. Code § 999.5(d); Govt. Code § 14841.)

16. LOSS LEADER:

If this agreement involves the furnishing of equipment, materials, or supplies then the following statement is incorporated: It is unlawful for any person engaged in business within this state to sell or use any article or product as a "loss leader" as defined in Section 17030 of the Business and Professions Code. (PCC 10344(e).)

EXHIBIT E

SPECIAL TERMS AND CONDITIONS

1. ACKNOWLEDGEMENT

In order to acknowledge the Commission's and the Conservancy's support of the project, the Commission's and the Conservancy's name and logo shall be included in a prominent location in all published materials and final reports related to the LCP Grant Project, including, but not limited to, Grantee reports or website postings about the grant program, vulnerability assessments, adaptation plans, land use plans and implementation plans. Less formal materials, such as stakeholder participation rosters and outreach agendas, do not need to include acknowledgment of Commission or Conservancy support. The Grantee shall state the Commission's and the Conservancy's support in its project-related press releases, contacts with the media, and social media postings, and on its website. The Grantee shall include in any agreement with any consultant or subconsultant under the LCP Grant Program terms that preserve the rights, interests, and obligations created by this section, and that identify the Commission and the Conservancy as third-party beneficiaries of those provisions. The Commission and the Conservancy shall have the right to republish any material generated as a result of this Agreement.

2. PROJECT EXECUTION

- A. Grantee shall complete the Project before the Termination Date.
- B. Subject to the availability of funds, the Commission hereby grants to the Grantee the sum \$200,000 (Grant Funds) not to exceed the amount stated on the signature page in consideration of and on condition that the sum be expended in carrying out the purposes as set forth in the description of the Project in this Agreement and its attachments and under the terms and conditions set forth in this Agreement.
- C. Prior to the commencement of any Project work, Grantee agrees to submit in writing to the Commission for prior approval any deviation from the original Scope of Work pursuant to Exhibit B1. Changes in the Scope of Work must continue to ensure timely and effective completion of a new or updated Local Coastal Program for certification by the Commission. Any modification or alteration in the Scope of Work on file with the Commission must be submitted to the Commission for approval. Changes to the Scope of Work shall require an amendment to this Agreement (see "Amendments" below).
- D. Grantee shall furnish any and all additional funds that may be necessary to complete the Project.
- E. Grantee shall ensure that Project work excludes any and all Project work that was funded through previously awarded grants or the matching funds identified through previously awarded grants so as to ensure that current grant funding is not duplicative of previous grant funding. Such grants include, but are not limited to, LCP Grants previously awarded by the Coastal Commission, grants awarded by the Ocean Protection Council, and grants awarded by the Conservancy.
- F. Grantee shall complete the Project and the invoicing and reporting requirements before the Termination Date unless an extension has been granted by the Commission in writing. Extensions may be requested in writing prior to the Termination Date and will be considered by the Commission at its sole discretion.

EXHIBIT E

- G. Grantee certifies that the Work Program does and will continue to comply with all current laws and regulations which apply to the Project, including, but not limited to, California Coastal Act, health and safety codes, and disabled access laws.
- H. Commission staff will be available to support the development of the Project through regular coordination and assistance. Commission staff support includes regular coordination meetings, timely review of deliverables, and participation in stakeholder advisory groups, as feasible, to ensure timely and successful completion of the Project.

3. POTENTIAL CONSULTANTS

Nothing contained in this Agreement or otherwise, shall create any contractual relation between the Commission and any consultants, and no contract shall relieve the Grantee of its responsibilities and obligations hereunder. The Grantee agrees to be as fully responsible for the acts and omissions of its consultants and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Grantee. The Grantee's obligation to pay its consultants is an independent obligation from the Commission's obligation to make payments to the Grantee. As a result, the Commission shall have no obligation to pay or to enforce the payments of any moneys to any consultants.

The Grantee agrees to include in any agreement with any consultant and/or subconsultant under the LCP Grant Project terms that preserve the rights, interests, and obligations for the benefit of the Commission and the Conservancy within Exhibit D ("General Terms and Conditions") and Exhibit E ("Special Terms and Conditions") of this Grant Agreement.

If all or any part of the Project to be funded under this Agreement will be performed by third parties under contract with the Grantee, then the Grantee should, prior to executing an agreement for services, seek the approval of the Grant Manager on the selection of the third party.

Grantees seeking consultants to perform grant-related tasks and services shall select all consultants pursuant to a bidding and procurement process that complies with all applicable laws.

4. TRAVEL REIMBURSEMENT

The Commission will reimburse travel and related expenses at actual costs not to exceed the State rates provided in Title 2, Division 1, Chapter 3, Subchapter 1, Article 2 of the California Code of Regulations. Grantees may seek reimbursement for any travel expenses that are in excess of these state rates, but only if the Grantee has received *prior* written approval of the Commission's Chief Deputy Director or his/her designee permitting the expenses in excess of state rates on the basis that state rates were not reasonably available. Reimbursement for the cost of operating a private vehicle shall not, under any circumstance, exceed the current rate specified by the State of California for unrepresented state employees as of the date the cost is incurred. Receipts will be required for all travel related reimbursements. All travel costs are inclusive within the budgeted amount referenced in this Agreement.

EXHIBIT E

5. PROPERTY PURCHASED

The Grantee agrees to continue using property purchased under this Agreement for the purposes outlined in this Agreement or similar activities until it is fully consumed (i.e. is either fully distributed, damaged, worn-out, or becomes obsolete).

6. SETTLEMENT OF DISPUTES

If the Grantee believes that there is a dispute or grievance between Grantee and the Commission arising out of or relating to this Agreement, the Grantee shall first discuss and attempt to resolve the issue with the Commission's Grant Manager. If the issue cannot be resolved at this level, the Grantee shall follow the following procedures:

If the issue cannot be resolved directly with the Grant Manager, the Grantee shall submit, in writing, a grievance report together with any evidence to the Chief Deputy Director of the Commission. The grievance report must state the issues in the dispute, the legal authority, or other basis for the Grantee's position and the remedy sought. Within ten (10) days after receipt of the grievance report, the Chief Deputy Director, or its designee, shall meet in person or via phone with the Grantee and the Grant Manager for purposes of resolving the dispute. The decision of the Chief Deputy Director following such a meeting shall be final.

7. TERMINATION

Except as otherwise set forth in this Agreement, this Agreement may be terminated or suspended (a) by the Commission for any reason upon thirty (30) days prior written notice to the Grantee, (b) by Grantee for any reason upon thirty (30) days prior written notice to the Commission subject to the approval of the Commission in its sole discretion, and (c) immediately upon written notice by either party "for cause". The term "for cause" shall mean that either the Grantee or the Commission fails to meet any material terms, conditions, and/or responsibilities of the Agreement.

In the event of a termination or suspension, the Grantee shall immediately stop work and take all reasonable measures to prevent further costs requiring reimbursement by the Commission. The Commission shall then only be responsible for any reasonable and non-terminable obligations incurred by the Grantee in the performance of this Agreement prior to the date of the notice to terminate or suspend, but not to exceed the balance of the total funds which remains unencumbered under this Agreement at the time of termination.

In the event of such termination or suspension, the Commission may proceed with the work in any manner deemed proper by the Commission. All costs to the Commission shall be deducted from any sum due the Grantee under this Agreement and the balance, if any, shall be paid to the Grantee upon request consistent with the terms of this Agreement.

On or before the date of termination of this Agreement, whether terminated by the Grantee or the Commission, the Grantee shall provide the Commission with all work, material, data, information, and written, graphic or other work produced, developed or acquired under this Agreement (whether completed or partial), in appropriate, readily useable form.

EXHIBIT E

The Grantee expressly agrees to waive, release and relinquish the recovery of any consequential damages that may arise out of the termination or suspension of this Agreement.

The Grantee shall include in any agreement with any consultant retained for work under this Agreement a provision that entitles the Grantee to immediately suspend or terminate the agreement with the consultant for any reason on written notice.

If the Grantee fails to complete the Project in accordance with this Agreement, or fails to fulfill any other obligations of this Agreement prior to the Termination Date, the Grantee shall be liable for immediate repayment to the Commission of all amounts disbursed by the Commission under this Agreement, plus accrued interest (rate as set forth by the current Pooled Money Investment Account) and any further costs related to the Project. The Commission may, at its sole and absolute discretion, consider extenuating circumstances with regard to Grantee's repayment obligations hereunder. This paragraph shall not be deemed to waive or limit any remedies available to the Commission for breach of this Agreement.

Notwithstanding the foregoing, Grantee acknowledges (and waives any defense based on a claim) that monetary damages may not be an adequate remedy to redress a breach by Grantee hereunder and that a breach by Grantee hereunder may cause irreparable harm to the Commission. Accordingly, Grantee agrees that upon a breach of this Agreement by Grantee, the remedies of injunction, declaratory judgment and specific performance shall be available to the Commission.

8. WAIVER AND RELEASE

Grantee hereby waives all claims and recourses against the Commission, including the right to contribution for loss or damage to persons or property arising from, growing out of or in any way connected with or incident to this Agreement, except for claims for reimbursement of costs due under this Agreement, recovery of which shall be limited to the total amount properly incurred hereunder and in no event exceed the total amount of Grant Funds provided for hereunder. Grantee acknowledges that it is solely responsible for its compliance with the terms of this Agreement.

9. REIMBURSEMENT

Complete reimbursement of Task funds under this Agreement will be dependent upon successful completion of the Task deliverable(s) of this Agreement. Grantee agrees that up to 20% of each Task and the total Task Budget hereunder may not be reimbursable until each Task and all final Task deliverables have been completed, delivered by the Grantee to Commission Staff, and accepted by the Commission's Grant Manager.

10. AMENDMENTS

This Agreement may only be amended by mutual agreement in writing between Grantee and the Commission. Any request by the Grantee for an amendment must state the amendment request and reason for the request and shall be submitted in writing, such as

EXHIBIT E

by email or letter. The Grantee shall strive to make requests immediately upon discovering that an amendment may be needed. No oral understanding or agreement not incorporated into the Agreement in writing is binding on the parties.

Except as otherwise provided herein, the Grantee shall expend Grant Funds in the manner described in the Scope of Work approved by the Commission. In any event, the total amount of the Grant Funds may not be increased, except by written amendment to this agreement.

With the exception of adjustments as discussed above, any subsequent changes or additions to the Work Plan approved by the Commission in writing are hereby incorporated by reference to this Agreement as though set forth in full in this Agreement.

11. REALLOCATION OF FUNDS

If Grantee fails to meet the performance criteria and Benchmarks in this Agreement, the Executive Director or his designee may immediately upon written notice cancel this Agreement, and upon Commission approval, re-allocate any unspent funds to one or more of the other approved Grantees that needs additional funding or whose grant was not fully funded.

Should a Grantee not need the full amount of funds awarded by the Commission, they shall notify the Grant Manager as soon as possible so that any remaining allocated but unspent funds may be redistributed, as feasible. In addition, should Grantee fail to enter into an agreement necessary for its performance hereunder in a timely manner, the Executive Director or his designee may, upon Commission approval, reallocate funds to supplement an already awarded grant.

12. DIGITAL AND PAPER SUBMITTAL OF LCPS

Prior to the Executive Director's determination and reporting of certification pursuant to Section 13544 of the California Code of Regulations of a grant-funded LCP project, grantees shall submit LCP documents (text, maps and exhibits) in paper hardcopy as well as an electronic copy in permanent format (such as an Adobe Acrobat .pdf file) and one electronic copy in an editable, useable format (such as in Microsoft Word .doc).

13. COASTAL COMMISSION SEA LEVEL RISE GUIDANCE

Grantees shall use the Commission's Sea Level Rise Policy Guidance document⁵ to inform the development of sea level rise impact assessments, vulnerability assessments, and LCP Land Use Plan and Implementation Plan completion or updates.

14. VULNERABILITY ASSESSMENTS

In addition to the general recommendations contained within the Commission's Sea Level Rise Policy Guidance, and unless otherwise provided in the Scope of Work of this Agreement, Vulnerability Assessments shall include: (1) storm and non-storm scenarios, including maximum daily and annual tidal inundation, (2) assessment of sea level rise vulnerability with and without key development that is currently vulnerable and/or protected by a revetment, such as Highway 1, railroad tracks, and/or a row of residences,

EXHIBIT E

(3) anticipated changes in beach width under future sea level rise scenarios, (4) evaluation of the feasibility and effectiveness of sediment management and beach nourishment, and (5) evaluation of sea level rise vulnerability of existing and planned segments of the California Coastal Trail. These scenarios and topics should be modeled or quantitatively analyzed where feasible and applicable, or at a minimum thoroughly discussed in a qualitative manner.

15. COORDINATION OF SEA LEVEL RISE PLANNING WORK

Sea level rise work completed under the Local Coastal Grant Program shall be coordinated regionally to the extent feasible with other jurisdictions and entities working on sea level rise projects within the same county or broader regional area relevant for sea level rise adaptation, such as the watershed, littoral cell, or area with similar geologic characteristics. Coordination includes early coordination meetings among the different entities, sharing of technical analyses and lessons learned, and consideration of regional adaptation policies.

16. SAFEGUARDING CALIFORNIA PLAN ACTIONS AND PRINCIPLES

Grant-funded work shall also be guided by the Safeguarding California Plan for Reducing Climate Risk's recommended climate change preparedness actions and principles,⁶ as listed below, and as described in the adopted 2014 Ocean Protection Council Resolution to support implementation of the *Safeguarding Plan*.⁷ The *Plan* states that projects or programs implemented with state funds should:

- Encourage innovative design of new structures and infrastructure in areas vulnerable to sea level rise, storms and erosion and priority should be given to green or nature-based solutions that use natural processes and habitats to reduce risk from flooding and erosion.
- Reduce risk from climate impacts to the coast and ocean, by implementing the *Safeguarding Plan's* recommendation to incorporate climate risk considerations into all relevant decision-making, including related to infrastructure, in such a way that it:
 - Encourages iterative approaches;
 - Protects California's most vulnerable populations;
 - Achieves multiple benefits from efforts to reduce climate risks and prioritizes green infrastructure solutions;
 - Integrates climate risk reduction with emissions reductions to the fullest extent possible; and

EXHIBIT E

- Develops metrics and indicators to track progress on efforts to reduce climate risk.
- Adhere to the *Safeguarding Plan* principles:
 - Use the best available science to identify risks and adaptation strategies;
 - Understand that an effective strategy for preparing for climate risks should evolve as new information is available;
 - Involve all relevant stakeholders;
 - Establish and maintain strong partnerships across all levels of government, tribes, businesses, landowners, and non-governmental organizations;
 - Give priority to strategies that also achieve benefits other than climate risk reduction benefits, including additional benefits to public health, the economy, environmental justice, and conservation of natural resources; and
 - Ensure that strategies to reduce climate risk are coordinated, to the extent possible, with the state's efforts to reduce GHG emissions and other local, national and international efforts.

17. AUDIT REQUIREMENTS AND FINANCIAL RECORDKEEPING

Commission projects are subject to audit by the State annually and for three (3) years following the payment of Grant Funds. Accordingly, Grantee shall maintain orderly, accurate and complete documents and records of all financial accounts, costs, disbursements, receipts and other matters relating to this Agreement consistent with the policies outlined in Exhibit C hereto, for the Project and shall make them available to the State or the Commission for auditing, inspecting and copying at reasonable times. Grantee agrees to allow the auditor(s) to interview any employees who might reasonably have information related to such records. Further, Grantee agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Agreement. (Gov. Code §8546.7, Pub. Contract Code §10115 et seq., CCR Title 2, Section 1896). Grantee shall also retain such documents and records for three (3) years after final payment and one (1) year following an audit unless a longer period of records retention is stipulated. The documents for audit should be retained onsite.

Grantee shall use applicable Generally Accepted Accounting Principles published by the American Institute of Certified Public Accountants.

If Grantee stated in the Work Plan that other sources of funding will be used to complete the Project, the Grantee shall establish internal systems to track expenditures of matching or in-kind funds on a regular basis and will make the documentation available to the Commission upon request.

18. WORK PRODUCT

It shall be the Commission's Grant Manager's sole determination as to whether grant materials (i.e. project deliverables in Scope of Work) have been successfully completed and are acceptable to the Commission. The Commission reserves the right to withhold reimbursement under the REIMBURSEMENT clause for materials deemed incomplete or substandard. For materials that constitute LCPs, including Land Use Plans and

EXHIBIT E

Implementation Plans; the standard of review in determining whether a LCP is successfully completed and acceptable as a work product under the Scope of Work of this Grant Agreement, is the Coastal Act.

The Grantee agrees that all material data, information, and written, graphic, or other work produced, developed or acquired under this agreement, including plans, drawings, specifications, surveys, studies, reports, and other written or graphic work produced in the performance of this Agreement, herein referred to as "materials", are subject to the unqualified and unconditional rights of the Commission and the Conservancy as set forth in this section. The Commission and Conservancy shall have the right to reproduce, publish, display and make derivative use all such work, or any part thereof, free of charge in any manner and for any purposes whatsoever and to authorize others to do so. If any of the work material is subject to copyright, trademark, service mark, or patent, the Commission and the Conservancy is granted and shall have a perpetual, royalty-free, nonexclusive and irrevocable license to use, reproduce, publish, use in the creation of derivative works, and display and perform the work, or any part of it, and to grant to any third party a comparable and coextensive sublicense.

Grantee agrees that it shall use the materials developed with Grant Funds only for the purpose for which the Grant Funds were requested and no other use of the materials shall be permitted (including use of the work produced under this Agreement for any profit-making venture, or the sale or grant of rights thereto for that purpose) except as otherwise agreed to in an Amendment.

Grantee must certify the materials developed with Grant Funds under this Agreement shall remain available for public review. This Agreement shall not prevent the transfer of the materials from the Grantee to a Public Agency if the successor Public Agency assumes the obligations imposed by this Agreement.

If the use of the materials is changed to a use that is not permitted by the Agreement, or if the materials are sold or otherwise disposed of, at the Commission's sole discretion, an amount equal to (1) the total amount of the Grant Funds, or (2) the proceeds from the sale or other disposition, whichever is greater, shall be promptly reimbursed to the Commission by Grantee.

The Grantee agrees to include in any agreement with any consultant and/or subconsultant under the LCP Grant Project terms that preserve the rights, interests, and obligations created by this section, and that identify the Commission and the Conservancy as third-party beneficiaries of those provisions.

19. SURVIVAL

The obligations in the "INDEMNIFICATION" clause of the General Terms and Conditions (Exhibit D), and in the "ACKNOWLEDGMENT," "AUDIT REQUIREMENTS AND FINANCIAL RECORDKEEPING" and "WORK PRODUCT" clauses in the Special Terms and Conditions (Exhibit E), as well as any other provisions in this Agreement that by their

EXHIBIT E

nature are intended to survive termination or expiration, shall survive the termination of this Agreement.

20. WAIVERS GENERALLY

No term or provision hereof will be considered waived by either party, and no breach excused by either party, unless such waiver or consent is in writing and signed on behalf of the party against whom the waiver is asserted. No consent by either party to, or waiver of, a breach by either party, whether expressed or implied, will constitute consent to, waiver of or excuse of any other, different or subsequent breach by either party.

21. EXECUTIVE DIRECTOR'S DESIGNEE

The Executive Director shall designate a Commission staff Grant Manager who shall have authority to act on behalf of the Executive Director with respect to this Agreement. Grantee shall be notified of such designation in writing.

22. INSURANCE

Throughout the term of this Agreement, for the life of any asset funded by the grant monies awarded pursuant to this Agreement, or for any period of project implementation after the termination date of this Agreement, the Grantee shall maintain insurance, as specified in this section, against claims for injuries to persons or damage to property that may arise from or in connection with any activities by the Grantee or its agents, representatives, employees, volunteers, or consultants associated with the Project undertaken pursuant to this Agreement.

If the Grantee provides funds to any consultants to accomplish any of the work of this Agreement or provides grant funds to any contractor to carry out a project under this Agreement, the Grantee shall first enter into an agreement with each consultant requiring it to obtain and maintain liability and property-damage insurance, as specified in this section, against claims for injuries to persons or damage to property that may arise from or in connection with any activities by the consultant, or its agents, representatives, employees, or volunteers, associated with the project undertaken pursuant to this Agreement. As an alternative, with the written approval of the Executive Director, the consultant may satisfy the coverage required by this section in whole or in part through its participation in a "risk management" plan, self-insurance program or insurance pooling arrangement, or any combination of these, if consistent with the coverage required by this section. Required insurance shall be maintained from the commencement date through the Termination Date of any work undertaken by the consultant under the approved Scope of Work.

A. Minimum Scope of Insurance. Coverage shall be at least as broad as:

1. Insurance Services Office ("ISO") Commercial General Liability coverage (occurrence Form CG 0001) or ISO Comprehensive General Liability form (1973) or comparable with Broad Form Comprehensive General Liability endorsement.
2. Automobile Liability coverage - ISO Form Number CA 0001, Code 1 (any auto).
3. Workers' Compensation insurance as required by the Labor Code of the State of California.

EXHIBIT E

B. Minimum Limits of Insurance. Grantee shall maintain coverage limits no less than:

- | | |
|---|--|
| 1. General Liability:
(Including operations, products and completed operations, as applicable) | \$1,000,000 per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the activities under this Agreement or the general aggregate limit shall be twice the required occurrence limit. |
| 2. Automobile Liability: | \$1,000,000 per accident for bodily injury and property damage. |

C. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by the Executive Director.

D. Required Provisions: Each insurance policy required by this section shall be endorsed to state that coverage shall not be canceled by either party, except after thirty days' prior written notice by certified mail, return receipt requested, has been given to the Executive Director. The general liability and automobile liability policies are to contain, or to be endorsed to contain, the following provisions:

1. The State of California, its officers, agents and employees are to be covered as insured with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of the Grantee; and with respect to liability arising out of work or operations performed by or on behalf of the Grantee including materials, parts or equipment furnished in connection with such work or operations.
2. For any claims related to this Agreement, the Grantee's insurance coverage shall be primary insurance with respect to the State of California, its officers, agents and employees.
3. Coverage shall not extend to any indemnity coverage for the active negligence of the additional insured in any case where an agreement to indemnify the additional insured would be invalid under Subdivision (b) of Section 2782 of the Civil Code.

E. Acceptability of Insurers. Insurance shall be placed with insurers admitted to transact business in the State of California and having a current Best's rating of "B+:VII" or better or, in the alternative, acceptable to the Commission and approved in writing by the Executive Director.

F. Verification of Coverage. The Grantee shall furnish the Grant Manager with original certificates and amendatory endorsements effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the Grant Manager within 30 working days from the start date of the Grant Project. The Commission reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage, at any time.

EXHIBIT E

G. Premiums and Assessments. The Commission is not responsible for premiums and assessments on any insurance policy.

1 RESOLUTION NO. 17-R0199-1

2 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
3 OCEANSIDE APPROVING A GRANT AGREEMENT WITH THE
4 CALIFORNIA COASTAL COMMISSION TO ACCEPT \$200,000 IN
5 GRANT FUNDS, APPROPRIATING \$172,500 IN MATCH FUNDS IN
6 SUPPORT OF A COMPREHENSIVE UPDATE OF THE LAND USE
7 PLAN OF THE CITY OF OCEANSIDE LOCAL COASTAL PROGRAM
8 AND AUTHORIZING THE CITY MANAGER TO EXECUTE ALL
9 DOCUMENTS PERTAINING TO THE GRANT

10 WHEREAS, the Budget Act of 2015 provides \$3,000,000 for Coastal Commission
11 grants in FY 15-16 to local governments to support Local Coastal Program (LCP) planning;
12 and

13 WHEREAS, the California Coastal Commission, under the authority of the California
14 Coastal Act, may provide financial assistance to support coastal planning and has approved a
15 competitive grant program to provide such financial assistance for LCP planning; and

16 WHEREAS, the goal of the grant program is to develop new or updated LCPs in
17 conformance with the California Coastal Act and to reflect current circumstances and new
18 scientific information, including new understandings and concern for the effects of climate
19 change; and

20 WHEREAS, grant proposals submitted under this grant program must complete a land
21 use plan and/or zoning work to either achieve submittal for certification of a Local Coastal
22 Program (LCP) or an Area of Deferred Certification (ADC) or of an LCP Amendment to
23 significantly update a certified LCP or LCP segments, including with special emphasis on
24 effects of climate change and sea-level rise; and

25 WHEREAS, the City of Oceanside, has an effectively certified LCP; and

26 WHEREAS, the City of Oceanside desires to pursue a project that would result in the
27 completion and submittal for certification by the California Coastal Commission of an
28 Amendment to update the Land Use Plan of the LCP; and

WHEREAS, on June 1, 2016, the City Council authorized the submittal of an
application to the California Coastal Commission for financial assistance in the amount of
\$300,000 to support an update of the Land Use Plan of the LCP; and

1 WHEREAS, on August 12, 2016, the California Coastal Commission voted to award a
2 Local Coastal Program Local Assistance Grant to the City of Oceanside in the amount of
3 \$200,000; and

4 WHEREAS, Coastal Commission and City staff have refined the project scope of work
5 and budget to include local matching funds in the amount of \$172,500;

6 NOW, THEREFORE, the City Council of the City of Oceanside does resolve as follows:

7 SECTION 1. The City of Oceanside accepts \$200,000 in grant funds from the
8 California Coastal Commission.

9 SECTION 2: The City of Oceanside appropriates grant match funds in the amount of
10 \$172,000 from the General Fund Assigned Reserve.

11 SECTION 3. The City of Oceanside City Manager is authorized to execute, in the name
12 of the City of Oceanside, all necessary contracts and agreements and amendments thereto to
13 implement and carry out the grant agreement attached hereto and any project approved through
14 approval of the grant agreement.

15 PASSED AND ADOPTED by the City Council of the City of Oceanside, California,
16 this 5th day of April, 2017, by the following vote:

- 17
- 18 AYES: WOOD, FELLER, KERN, LOWERY, SANCHEZ
- 19 NAYS: NONE
- 20 ABSENT: NONE
- 21 ABSTAIN: NONE
- 22

23 
MAYOR OF THE CITY OF OCEANSIDE

24 APPROVED AS TO FORM:
25 
26 _____
27 City Attorney

25 ATTEST:
26 
27 _____
28 City Clerk
