

Smoke Alarms Save Lives!

Home fires take more lives every year than all major disasters combined.

Every day, 7 people die from home fires. You are more likely to survive a home fire if you have a working smoke alarm in your home.

That is why the American Red Cross is partnering with the Oceanside Fire Department to install **FREE** smoke alarms in your community and provide safety information on how you can prevent home fires.

Request FREE Alarms and Installation!

To sign up for a FREE smoke alarm installation, please register at **SoundTheAlarm.org/SoCal or call 619-354-9609.**
