For Immediate Release

August 8, 2017

**NIGHT WORK BEGINS ON OCEANSIDE COASTAL RAIL CORRIDOR
FOR OCEANSIDE QUIET ZONE PROJECT**

Night work along the coastal railroad tracks in Oceanside is scheduled through the month of August between 9:00 p.m. and 5:30 a.m., weekdays. The City's contractor is installing underground conduits for track signal improvements between Cassidy Street and Surfrider Way. The work will occur at a single location each night.

The construction is part of the prerequisite safety improvements for a railroad quiet zone.
