The Oceanside Public Library is proud to offer free Basic Computer Classes at both the Civic Center and Mission Branch locations. At the Civic Center Library, located at 330 N. Coast Highway in Oceanside, classes will begin on January 8 and continue every Tuesday and Thursday afternoons from 1:00 until 3:30 p.m. for three weeks. At the Mission Branch Library, located at 861 Mission Ave., classes will be held every Monday morning at 10:00 a.m. in the Community Rooms, continuing through February.

Students will become more familiar with the computer, learn computer basics, including setting up email and searching the internet. All classes are free and open to the public, and taught by volunteers.
