RAPTOR INSTITUTE BRINGS BIRDS OF PREY TO OCEANSIDE LIBRARY

Oceanside Public Library invites families to a free, engaging and educational presentation featuring "Feathered Friends" with The Raptor Institute on Saturday, **January 26** at 11:00 a.m., at the Civic Center Library, 330 North Coast Highway. Children and their caregivers will get to meet live raptors, or birds of prey, and learn about their conservation, biology, and natural history. Families will learn about where these raptors live, what they eat, and how important they are in the environment we live in.

This program is sponsored by the Friends of the Oceanside Public Library. For more information about the Library visit www.oceansidepubliclibrary.org and, for more information about this event, please call the Library at (760) 435-5600.
