TRAVEL STRATEGIES PRESENTATION AT THE OCEANSIDE PUBLIC LIBRARY

Don't let a small budget stop you from traveling. With budget-minded travel in mind, online travel companies offer ways to streamline flights, transfers, accommodations and tour opportunities. Please join us for a presentation with Barbara Smith, Community College instructor and world traveler on **Wednesday, May 8, at 1:00 p.m.** at the Mission Branch Library Community Room, 3861 Mission Avenue, and learn how to plan an exciting, affordable vacation. Participants will also learn how to book travel on land and sea using some reputable online travel companies, travel rewards credit cards, and discounted flight options.

Barbara Smith has been able to combine her love for travel and adventure with a budget-minded pocketbook, thanks to a selection of internet strategies she has collected over the years.

This free program is sponsored by the Friends of the Oceanside Public Library and is open to the public. For more information about library programs and services, visit library's website at
