

## **Veterans Affairs Supportive Housing (VASH)**

The Department of Housing and Urban Development- VA Supportive Housing (HUD-VASH) Program provides assistance to homeless veterans by combining HUD Housing Choice Voucher (HCV) rental assistance with case management and clinical services provided by the Department of Veteran's Affairs (VA) at its medical centers and in the community. Ongoing VA case management, health, and other supportive services are made available to homeless veterans through the Veteran's Affairs Medical Center supportive services. The HUD-VASH program is administered according to the HCV tenant-based rental regulations. The Oceanside Housing Authority received an allocation of 40 HUD-VASH vouchers in June 2015.
