

# FIX A LEAK WORKSHOP

TUESDAY, MARCH 31, 2026

6-7:30 PM

Did you know that a broken toilet can send 200 gallons per hour down the drain? Join the City of Oceanside to learn the basics of finding leaks in your residence. We'll show you how to:

- Read your meter
- Use WaterSmart to manage your water use
- Fix sneaky (and common!) toilet leaks

Help us prepare for refreshments and seating by signing up here:
